Certain statements contained in this press release (other than statements of historical fact) are forward-looking statements. Words such as "believe," "estimate," "expect," "intend," "anticipate," "will," "could," "may," "should," "plan," "potential," "predict," "forecast," "project," and similar expressions and variations thereof identify certain of such forward-looking statements, which speak only as of the dates on which they were made. Although forward-looking statements are made based upon management's expectations and beliefs concerning future developments and their potential effect upon the Company, a number of factors could cause the Company's actual results to differ materially from those set forth in the forward-looking statements. Such factors may include the completion of 1031 exchange transactions, the modification of terms of certain land sales agreements, uncertainties associated with obtaining required governmental permits and satisfying other closing conditions, as well as the uncertainties and risk factors discussed in our Annual Report on Form 10-K for the fiscal year ended December 31, 2016 as filed with the Securities and Exchange Commission. There can be no assurance that future developments will be in accordance with management's expectations or that the effect of future developments on the Company will be those anticipated by management.
