FOR
IMMEDIATE
RELEASE

**CONSOLIDATED TOMOKA COMPLETES SALE OF
APPROXIMATELY 4.5 ACRES FOR \$1.2 MILLION**

DAYTONA BEACH, Fla. – **April 13, 2017** – Consolidated-Tomoka Land Co. (NYSE MKT: CTO) (the “Company”) today announced the closing of one of the land transactions it had under contract of approximately 4.5 acres of land at a sales price of approximately \$1.2 million, or approximately \$274,000 per acre. The land is located on the east side of Interstate 95 at the northeast corner of LPGA Boulevard and Concierge Boulevard, just east of the existing Concierge office building. The purchaser intends to develop a mixed-use project including retail and office, creating additional capital investment and employment growth in the Daytona Beach area. The 4.5 acres was reacquired by the Company prior to 2012, from a previous buyer, and carried a higher basis, as a result the proceeds from this sale will not be utilized to acquire a replacement asset through the 1031 like-kind exchange structure.

Including this land sale transaction, in 2017, the Company has sold approximately 1,620 acres of land for an aggregate sales price of \$33.2mm, or approximately \$20,000 per acre. The Company provided guidance for 2017 regarding total land sales of approximately \$30mm - \$50mm, of which we have exceeded the low end of our range and approximately 66% of the high-end of the range.

SAFE HARBOR

Certain statements contained in this press release (other than statements of historical fact) are forward-looking statements. Words such as “believe,” “estimate,” “expect,” “intend,” “anticipate,” “will,” “could,” “may,” “should,” “plan,” “potential,” “predict,” “forecast,” “project,” and similar expressions and variations thereof identify certain of such forward-looking statements, which speak only as of the dates on which they were made. Although forward-looking statements are made based upon management’s expectations and beliefs concerning future developments and their potential effect upon the Company, a number of factors could cause the Company’s actual results to differ materially from those set forth in the forward-looking statements. Such factors may include the completion of 1031 exchange transactions, the availability of investment properties that meet the Company’s investment goals and criteria, the modification of terms of certain land sales agreements, uncertainties associated with obtaining required governmental permits and satisfying other closing conditions, as well as the uncertainties and risk factors discussed in our Annual Report on Form 10-K for the fiscal year ended December 31, 2016 as filed with the Securities and Exchange Commission. There can be no assurance that future developments will be in accordance with management’s expectations or that the effect of future developments on the Company will be those anticipated by management.
