New York, New York 10001

Ladies and Gentlemen:

CTO Realty Growth, Inc., a Maryland corporation (the “Company”), confirms its agreement with Wells Fargo Securities, LLC (“Wells Fargo”), and each of the other Underwriters named in Schedule A hereto (collectively, the “Underwriters”), for whom Wells Fargo is acting as representative (in such capacity, the “Representative”), with respect to the sale by the Company and the purchase by the Underwriters, acting severally and not jointly, of 3,000,000 shares of the Company’s Common Stock, par value \$0.01 per share (“Common Stock”), pursuant to and in accordance with the terms and conditions of this underwriting agreement (the “Agreement”). The aggregate of 3,000,000 shares of Common Stock to be purchased from the Company are called the “Firm Shares.” In addition, the Company has granted to the Underwriters, upon the terms and conditions stated herein, an option to purchase up to an additional 450,000 shares of Common Stock (the “Additional Shares”). The Firm Shares and the Additional Shares are collectively referred to in this Agreement as the “Securities.”

The Company has filed with the Securities and Exchange Commission (the “Commission”) a shelf registration statement on Form S-3 (No. 333-267819), which registration statement included a related base prospectus (the “Base Prospectus”), relating to certain securities, including the Securities. Such registration statement, including any amendments thereto filed prior to the Time of Sale (as defined below), has been declared effective by the Commission under the Securities Act of 1933, as amended (the “1933 Act”) and the rules and regulations thereunder (the “1933 Act Regulations”). The Company will prepare a prospectus in accordance with the provisions of paragraph (b) of Rule 424 (“Rule 424(b)”) of the 1933 Act Regulations and shall file such prospectus with the Commission prior to 5:30 p.m. (Eastern Time) on the second SEC Business Day following the date of this Agreement. Any information included in such prospectus that was omitted from such registration statement at the time it became effective but that is deemed to be part of and included in such registration statement pursuant to Rule 430B of the 1933 Act (“Rule 430B”) is referred to as “Rule 430B Information.” Each prospectus used in connection with the offering of Securities that omitted Rule 430B Information is herein called a “preliminary prospectus.” Except where the context otherwise requires, the shelf registration statement on Form S-3 filed by the Company with the Commission (No. 333-267819), on each date and time that such registration statement and any post-effective amendment or amendments thereto became or becomes effective (each, an “Effective Date”), including all documents filed as part thereof or incorporated by reference therein, including any information contained in a Prospectus (as defined below) subsequently filed with the Commission pursuant to Rule 424(b) and deemed

part of such registration statement, collectively, are herein called the “Registration Statement,” and the Base Prospectus, as supplemented by the final Prospectus Supplement, in the form first used by the Company in connection with confirmation of sales of the Securities, is herein called the “Prospectus.” Any reference in this Agreement to the Registration Statement, the Time of Sale Information (defined below), the Prospectus or any amendment or supplement thereto shall be deemed to refer to and include the documents incorporated by reference therein pursuant to Item 12 of Form S-3 under the 1933 Act, as of each Effective Date or the Execution Time (defined below) or the date of the Prospectus, as the case may be (it being understood that the several specific references in this Agreement to documents incorporated by reference in the Registration Statement, the Time of Sale Information or the Prospectus are for clarifying purposes only and are not meant to limit the inclusiveness of any other definition herein). For purposes of this Agreement, “free writing prospectus” has the meaning ascribed to it in Rule 405 of the 1933 Act Regulations (“Rule 405”), and “Issuer Free Writing Prospectus” shall mean each free writing prospectus prepared by or on behalf of the Company or used or referred to by the Company in connection with the offering of the Securities. “Time of Sale” shall mean 7:10 p.m., New York, New York time, on November 30, 2022, and “Time of Sale Information” shall mean the most recent preliminary prospectus together with the pricing information set forth on Schedule B hereto and all other information identified in Schedule B hereto. All references in this Agreement to financial statements and schedules and other information which is “contained,” “included,” “stated” or “described” in the Registration Statement, the Time of Sale Information or the Prospectus (and all other references of like import) shall be deemed to mean and include all such financial statements and schedules and other information which is or is deemed to be incorporated by reference in the Registration Statement, the Time of Sale Information or the Prospectus, as the case may be, and all references in this Agreement to amendments or supplements to the Registration Statement, the Time of Sale Information or the Prospectus shall be deemed to include the filing of any document under the Securities Exchange Act of 1934, as amended (the “1934 Act”), and the rules and regulations of the Commission promulgated thereunder (the “1934 Act Regulations”), which is or is deemed to be incorporated by reference in the Registration Statement, the Time of Sale Information or the Prospectus, as the case may be. Any reference herein to the Registration Statement, the Time of Sale Information or the Prospectus (as defined below) shall, unless otherwise stated, be deemed to refer to and include the documents, if any, incorporated, or deemed to be incorporated, by reference therein.

1. Representations and Warranties.

(a) Representations and Warranties by the Company. The Company represents and warrants to the Underwriters as of the date hereof, the Time of Sale and as of the Closing Date and the Additional Closing Date, as the case may be, referred to in Section 2(c) hereof, and agrees with the Underwriters, as follows:

(i) Compliance with Registration Requirements.

(A) The Company meets the requirements for use of Form S-3 under the 1933 Act and the offering of the Securities has been duly registered under the 1933 Act pursuant to the Registration Statement. Each of the Registration Statement and any post-effective amendment thereto has been declared effective by the Commission under the 1933 Act and no stop order suspending the effectiveness of the Registration Statement or any post-effective amendment thereto has been issued under the 1933 Act and no proceedings for that purpose have been instituted or are pending or, to the knowledge of the Company, are contemplated by the Commission, and any request on the part of the Commission for additional information has been complied with.

(B) At the respective times the Registration Statement and any post-effective amendments thereto were declared effective by the Commission, at each deemed effective date with respect to the Underwriters pursuant to Rule 430B(f)(2) of the 1933 Act Regulations and at the Closing Date and the Additional Closing Date, as the case may be, the Registration Statement and any amendments and supplements thereto complied and will comply in all material respects with the requirements of the 1933 Act and the 1933 Act Regulations and did not and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading.

(C) Neither the Prospectus nor any amendments or supplements thereto, at the time the Prospectus or any such amendment or supplement was issued and at the Closing Date and any Additional Closing Date, if applicable, included or will include an untrue statement of a material fact or omitted or will omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(D) Each document incorporated, or deemed to be incorporated, by reference in the Registration Statement, the Time of Sale Information and the Prospectus pursuant to Item 12 of Form S-3, at the time it was or hereafter is filed with the Commission, complied and will comply when filed in all material respects with the requirements of the 1934 Act and none of such documents contained any untrue statement of a material fact or omitted to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; and any further documents so filed and incorporated by reference in the Registration Statement, the Time of Sale Information or the Prospectus, when such documents become effective or are filed with the Commission, as the case may be, will conform to the requirements of the 1934 Act, in all material respects, and, in the case of the Registration Statement, the Time of Sale Information and the Prospectus, will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading.

(E) The Time of Sale Information did not, as of the Time of Sale, contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; provided that no representation or warranty is made as to information contained in or omitted from the Time of Sale Information in reliance upon and in conformity with written information furnished to the Company through the Representative by or on behalf of any Underwriter specifically for inclusion therein, which information is specified in Section 6(b) hereof.

(F) Each Issuer Free Writing Prospectus, as of its issue date and at all subsequent times through the completion of the public offer and sale of the Securities or until any earlier date that the issuer notified or notifies the Underwriters, did not, does not and will not include any information that conflicted, conflicts or will conflict with the information contained in the Registration Statement or the Prospectus, and any preliminary or other prospectus deemed to be a part thereof that has not been superseded or modified.

(G) The representations and warranties in subsections (B) through (E) above shall not apply to statements in or omissions from the Registration Statement, the Prospectus or any Issuer Free Writing Prospectus made in reliance upon and in conformity with written information furnished to the Company by the Underwriters expressly for use therein (it being understood that such information consists solely of the information specified in Section 6(b) hereof).

(H) Each preliminary prospectus (including the prospectus filed as part of the Registration Statement as originally filed or as part of any amendment thereto) complied when so filed in

all material respects with the 1933 Act Regulations and each preliminary prospectus and the Prospectus delivered to the Underwriters for use in connection with this offering was identical to the electronically transmitted copies thereof filed with the Commission via EDGAR, except to the extent permitted by Regulation S-T.

(I) At the time of filing the Registration Statement and any post-effective amendments thereto, at the earliest time thereafter that the Company or another offering participant made a bona fide offer (within the meaning of Rule 164(h)(2) of the 1933 Act Regulations) of the Securities and at the date hereof, the Company was not and is not an “ineligible issuer,” as defined in Rule 405.

(ii) Offering Materials. The Company has not distributed and will not distribute, prior to the completion of the Underwriters’ distribution of the Securities, any offering material in connection with the offering and sale of the Securities other than the Time of Sale Information, a preliminary prospectus and the Prospectus.

(iii) Testing-the-Waters Communications. The Company (i) has not engaged in any Testing-the-Waters Communications, (ii) has not authorized anyone to engage in Testing-the-Waters Communications and (iii) has not distributed or approved for distribution any Written Testing-the-Waters Communications. As used herein, “Testing-the-Waters Communication” means any oral or written communication with potential investors undertaken in reliance on Section 5(d) of the 1933 Act, and “Written Testing-the-Waters Communication” means any Testing-the-Waters Communication that is a “written communication” within the meaning of Rule 405.

(iv) No Stop Order. No stop order suspending the effectiveness of a Registration Statement or any part thereof has been issued and no proceeding for that purpose has been instituted or, to the knowledge of the Company, threatened or contemplated by the Commission or by the state securities authority of any jurisdiction. No order preventing or suspending the use of the Prospectus has been issued and no proceeding for that purpose has been instituted or, to the knowledge of the Company, threatened or contemplated by the Commission or by the state securities authority of any jurisdiction.

(v) Capitalization. The Common Stock conforms in all material respects to the description thereof contained in the Registration Statement, the Time of Sale Information and the Prospectus; the Securities, when issued, will conform in all material respects to the description thereof contained under the caption “Description of Capital Stock—Description of Common Stock” in the Registration Statement, the Time of Sale Information and the Prospectus; the authorized capitalization of the Company is as set forth in the Registration Statement, the Time of Sale Information and the Prospectus; all of the outstanding shares of capital stock of the Company have been duly authorized and validly issued and are fully paid and nonassessable; except as disclosed in the Time of Sale Information and Prospectus, there are no outstanding options, warrants or similar rights to subscribe for, or contractual obligations to issue, sell, transfer or acquire, any shares of capital stock of the Company or any securities convertible into or exercisable or exchangeable for any shares of capital stock of the Company. Except as disclosed in the Registration Statement, the Time of Sale Information and the Prospectus, the Company has no outstanding stock options or other equity-based awards of or to purchase shares of Common Stock pursuant to an equity-based compensation plan or otherwise.

(vi) Good Standing of the Company. The Company has been duly incorporated and is validly existing as a corporation in good standing under the laws of the State of Maryland and has the requisite corporate power and authority to own, lease and operate its properties (the “Company Properties”) and to conduct its business as described in the Registration Statement, the Time of Sale Information and the Prospectus (and any amendment or supplement thereto) and to enter into and perform its obligations under this Agreement. The Company is duly qualified as a foreign corporation to transact business and is

in good standing in each other jurisdiction in which such qualification is required, except where the failure to so qualify or to be in good standing would not, individually or in the aggregate, reasonably be expected to have a material adverse effect on the condition (financial or otherwise), business, properties, assets, net worth, results of operations or prospects of the Company and its subsidiaries, taken as a whole (a “Material Adverse Effect”).

(vii) Good Standing of the Subsidiaries. Each subsidiary of the Company has been duly incorporated or formed and is validly existing in good standing under the laws of the jurisdiction of its incorporation or formation, and each such subsidiary has the requisite corporate or similar power and authority to own, lease and operate its properties (collectively, with the Company Properties, the “Properties”) and to conduct its business as described in the Registration Statement and the Prospectus (and any amendment or supplement thereto) and is duly qualified to transact business and is in good standing in each other jurisdiction in which such qualification is required, except where the failure to so qualify or to be in good standing would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Except as otherwise disclosed in the Registration Statement, the Time of Sale Information and the Prospectus, all of the outstanding shares of capital stock or other ownership interests of each subsidiary of the Company have been duly authorized and validly issued, are (as applicable) fully paid and nonassessable and are owned by the Company, directly or indirectly through subsidiaries, free and clear of any security interests, liens, encumbrances, equities or claims. None of the outstanding shares of capital stock or other ownership interests of any subsidiary of the Company was issued in violation of the preemptive or similar rights of the securityholder of such subsidiary.

(viii) Absence of Breaches and Defaults. None of the Company or any of its subsidiaries: is (i) in violation of (A) its articles of incorporation, bylaws, certificate of formation, limited liability company agreement, certificate of limited partnership, partnership agreement or other organizational document, (B) any federal, state or foreign law, ordinance, administrative or governmental rule or regulation applicable to the Company or any of its subsidiaries, or (C) any decree of any federal, state or foreign court or governmental agency or body having jurisdiction over the Company or any of its subsidiaries, except, in the case of (B) and (C), for violations that would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect; or (ii) in default in the performance of any obligation, agreement or condition contained in (A) any bond, debenture, note or any other evidence of indebtedness or (B) any agreement, contract, indenture, lease or other instrument (each of (A) and (B), an “Existing Instrument”) to which the Company or any of its subsidiaries is a party or by which any of their properties may be bound, except for such defaults which would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect; and there does not exist any state of facts that constitutes an event of default on the part of the Company or any of its subsidiaries as defined in such documents or that, with notice or lapse of time or both, would constitute such an event of default.

(ix) Absence of Conflicts. Neither the issuance and sale of the Securities by the Company nor the execution, delivery and performance of this Agreement by the Company (i) requires any consent, approval, authorization or other order of or registration or filing with, any court, regulatory body, administrative agency or other governmental body, agency or official, except such as have been already obtained or may be required under the 1933 Act, the 1934 Act, the rules of the New York Stock Exchange (“NYSE”), state securities or Blue Sky laws and the rules of the Financial Industry Regulatory Authority, Inc. (“FINRA”), (ii) conflicts with or will conflict with or constitutes or will constitute a breach of, or a default under, the organizational documents of the Company or any of its subsidiaries, (iii) constitutes or will constitute a breach of, or a default under, any Existing Instrument to which the Company or any of its subsidiaries is a party or by which any of their properties may be bound, (iv) violates any statute, law, regulation, ruling, filing, judgment, injunction, order or decree applicable to the Company or any of its subsidiaries or any of their properties, or (v) results in a breach of, or default or Debt Repayment Triggering Event (as defined below) under, or results in the creation or imposition of any lien, charge or encumbrance

upon any property or assets of the Company or any of its subsidiaries pursuant to, or requires the consent of any other party to, any Existing Instrument, except, (A) with respect to the sale of any Securities offered hereunder, such approvals as have been obtained, or will have been obtained before the Closing Date under the 1933 Act and the 1934 Act, (B) such approvals as may be required in connection with the approval of the listing of the Securities on the New York Stock Exchange, (C) such consents, approvals, authorizations, orders, registrations or qualifications, if any, as may be required by FINRA and (D) any necessary qualification under the securities or blue sky laws of the various jurisdictions in which the Securities are being offered by the Underwriters and, with respect to clauses (ii), (iii), (iv) and (v), such conflicts, breaches, defaults, violations, liens, charges or encumbrances that would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. As used herein, a “Debt Repayment Triggering Event” means any event or condition that gives, or with the giving of notice or lapse of time would give, the holder of any note, debenture or other evidence of indebtedness (or any person acting on such holder’s behalf) the right to require the repurchase, redemption or repayment of all or a portion of such indebtedness by the Company or any of its subsidiaries.

(x) Company Authorization of Agreement and Offering. This Agreement has been duly authorized, executed and delivered by the Company. This Agreement constitutes a valid and binding agreement of the Company, enforceable against the Company in accordance with its terms, except as may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium or similar laws affecting creditors’ rights generally or by general principles of equity, and except to the extent that any indemnification and contribution provisions hereof may be limited by federal or state securities laws or public policy considerations in respect thereof.

(xi) Possession of Licenses and Permits. The Company and its subsidiaries have all permits, licenses, franchises, approvals, consents and authorizations of governmental or regulatory authorities (hereinafter “permit” or “permits”) as are necessary to own the Properties and to conduct their business in the manner described in the Registration Statement, the Time of Sale Information and the Prospectus, subject to such qualifications as may be set forth in the Registration Statement, the Time of Sale Information and the Prospectus, except where the failure to have obtained any such permits would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect; the Company and each of its subsidiaries has operated and is operating its business in material compliance with and not in material violation of its obligations with respect to each such permit and, to the knowledge of the Company, no event has occurred that allows, or after notice or lapse of time would allow, revocation or termination of any such permit or result in any other material impairment of the rights of any such permit.

(xii) Absence of Proceedings. There are no legal or governmental proceedings pending or, to the knowledge of the Company, threatened, against the Company or any of its subsidiaries or to which the Company or any of its subsidiaries or any of the Properties are subject, that are required to be described in the Registration Statement, the Time of Sale Information and the Prospectus (or any amendment or supplement thereto) but are not described as required. Except as described in the Registration Statement, the Time of Sale Information and the Prospectus, there are no actions, suits, inquiries, proceedings or investigations by or before any court or governmental or other regulatory or administrative agency or commission pending or, to the knowledge of the Company, threatened against or involving the Company or any of its subsidiaries, which would, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect or prevent or adversely affect the transactions contemplated by this Agreement, nor, to the knowledge of the Company, is there any basis for any such action, suit, inquiry, proceeding or investigation. There are no agreements, contracts, indentures, leases or other instruments that are required to be described in the Registration Statement, the Time of Sale Information and the Prospectus (or any amendment or supplement thereto) or to be filed as an exhibit to the Registration Statement that are not so described or filed. The Company has not received notice or been made aware that

any other party is in breach of or default to the Company or the applicable subsidiary under any of such contracts.

(xiii) Financial Statements. The financial statements included in the Registration Statement, the Time of Sale Information and the Prospectus, together with the related schedules and notes, present fairly in all material respects the financial position of the Company at the dates indicated and the results of operations, changes in equity and cash flows of the Company for the periods specified, and such financial statements have been prepared in conformity with U.S. generally accepted accounting principles (“GAAP”) applied on a consistent basis throughout the periods presented. Except as included in the Registration Statement, the Time of Sale Information and the Prospectus, no historical or pro forma financial statements or supporting schedules are required to be included in the Registration Statement, the Time of Sale Information or the Prospectus under the 1933 Act. All disclosures contained in the Registration Statement, the Time of Sale Information or the Prospectus regarding “non-GAAP financial measures” (as such term is defined by the rules and regulations of the Commission) comply in all material respects with Regulation G under the 1934 Act and Item 10 of Regulation S-K under the 1933 Act, in each case to the extent applicable. The interactive data in eXtensible Business Reporting Language included or incorporated by reference in the Registration Statement fairly present the information called for in all material respects and have been prepared in accordance with the Commission’s rules and guidelines applicable thereto.

(xiv) Independent Accountants. Grant Thornton LLP, who has certified certain financial statements and supporting schedules filed as part of the Registration Statement, the Time of Sale Information and the Prospectus, is an independent registered public accounting firm as required by the 1933 Act and the applicable rules and regulations adopted by the Commission and the Public Company Accounting Oversight Board (United States).

(xv) No Material Adverse Change in Business. Except as disclosed in the Registration Statement, the Time of Sale Information and the Prospectus, since the date of the most recent audited financial statements included in the Registration Statement, the Time of Sale Information and the Prospectus (or any amendment or supplement thereto), (i) none of the Company or any of its subsidiaries has incurred any material liabilities or obligations, indirect, direct or contingent, or entered into any material transaction that is not in the ordinary course of business; (ii) none of the Company or any of its subsidiaries has sustained any material loss or interference with its business or properties from fire, flood, windstorm, accident or other calamity, whether or not covered by insurance; (iii) none of the Company or any of its subsidiaries is in default under the terms of any class of capital stock or other equity interests or any outstanding debt obligations, (iv) there has not been any material change in the indebtedness of the Company or its subsidiaries (other than in the ordinary course of business) and (v) there has not been any change, or any development or event involving a prospective change that would, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(xvi) Registration Rights. Except as disclosed in the Registration Statement, the Time of Sale Information, the preliminary prospectus and the Prospectus, no person has the right to require the Company or any of its subsidiaries to register any securities for sale under the 1933 Act by reason of the filing of the Registration Statement with the Commission or the issuance and sale of the Securities.

(xvii) Authorization of the Securities. The issuance and sale of the Securities to the Underwriters hereunder have been duly authorized by the Company, and when the Securities have been issued and duly delivered against payment therefor as contemplated by this Agreement, the Securities will be validly issued, fully paid and nonassessable. The issuance of the Securities pursuant to this Agreement will be free and clear of any pledge, lien, encumbrance, security interest or other claim created by or known to the Company, and the issuance and sale of the Securities are not subject to preemptive or other similar

rights arising by operation of law, under the organizational documents of the Company or under any agreement to which the Company is a party.

(xviii) Absence of Manipulation. Other than excepted activity pursuant to Regulation M under the 1934 Act, the Company has not taken, directly or indirectly, any action that constituted, or any action designed to, or that might reasonably be expected to cause or result in or constitute, under the 1933 Act or otherwise, stabilization or manipulation of the price of any securities of the Company to facilitate the sale or resale of the Securities or for any other purpose.

(xix) FINRA. The Company meets the definition of the term “experienced issuer” specified in FINRA Conduct Rule 5110(j)(6).

(xx) Title to Property. The Company and its subsidiaries have good and marketable title to the Properties, in each case, free and clear of all security interests, mortgages, pledges, liens, encumbrances, claims or equities of any kind other than those that (A) are described in the Registration Statement, the Time of Sale Information and the Prospectus or (B) do not, individually or in the aggregate, materially affect the value of such Property and do not materially interfere with the use made and proposed to be made of such Property by the Company and its subsidiaries. Except as described in the Registration Statement, the Time of Sale Information and the Prospectus or as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, (i) the Company and its subsidiaries have valid, subsisting and enforceable leases with the tenants of the Properties, (ii) no third party has an option or right of first refusal to purchase any of the Properties other than those that have been properly waived, (iii) the use and occupancy of each of the Properties complies with all applicable codes, zoning laws and regulations, and (iv) the Company has no knowledge of any pending or threatened condemnation or zoning change that will in any material respect affect the size of, use of, improvements of, construction on, or access to any of the Properties.

(xxi) Possession of Intellectual Property. Subject to the terms and conditions and upon the basis of the representations, warranties and agreements herein set forth, the Company agrees to issue and sell to each Underwriter, severally and not jointly, and each Underwriter, severally and not jointly, agrees to purchase from the Company, at a price per share of \$18.145 (the "Purchase Price per Share"), the number of Firm Shares set forth in Schedule A opposite the name of such Underwriter, plus any additional number of Securities which such Underwriter may become obligated to purchase pursuant to the provisions of Section 10 hereof, subject, in each case, to such adjustments among the Underwriters as the Representative in its sole discretion shall make to eliminate any sales or purchases of fractional securities.

(b) The Company hereby also agrees to sell to the Underwriters, and, subject to the terms and conditions and upon the basis of the representations, warranties and agreements herein set forth, the Underwriters shall have the right for 30 days from the date of this Agreement to purchase from the Company up to 450,000 Additional Shares at the Purchase Price per Share, less an amount per share equal to any dividends or distributions declared by the Company and payable on the Firm Shares but not payable on the Additional Shares. If any Additional Shares are to be purchased, each Underwriter, severally and not jointly, agrees to purchase the number of Additional Shares (subject to such adjustments as the Representative may determine to avoid fractional shares) that bears the same proportion to the total number of Additional Shares to be purchased by the Underwriter as the number of Firm Shares set forth opposite the name of such Underwriter in Schedule A hereto bears to the total number of Firm Shares. The option to purchase Additional Shares may be exercised at any time within 30 days after the date of this Agreement.

(c) Denominations; Registration; Payment. Delivery to the Underwriters of the Firm Shares and payment therefor shall be made at the offices of Hunton Andrews Kurth LLP, 200 Park Avenue, New

Delivery to the Underwriters of and payment for any Additional Shares to be purchased by the Underwriters shall be made at the offices of Hunton Andrews Kurth LLP, 200 Park Avenue, New York, New York, at 10:00 a.m., New York, New York time, on such date or dates (the “Additional Closing Date”) (which may be the same as the Closing Date, but shall in no event be earlier than the Closing Date nor earlier than two nor later than ten business days after the giving of the notice hereinafter referred to) as shall be specified in a written notice, from the Representative on behalf of the Underwriters to the Company, of the Underwriters’ determination to purchase a number, specified in such notice, of Additional Shares. Such notice may be given at any time within 30 days after the date of this Agreement and must set forth (i) the aggregate number of Additional Shares as to which the Underwriters are exercising the option and (ii) the names and denominations in which the Additional Shares are to be registered. The Representative may (but shall not be obligated to) make payment of the purchase price for the Securities to be purchased by any Underwriter whose funds have not been received by the Closing Date or the Additional Closing Date, as the case may be, but such payment shall not relieve such Underwriter from its obligations hereunder.

3. Covenants of the Company. The Company covenants with the Underwriters as follows:

(a) Compliance with Securities Regulations and Commission Requests. The Company, subject to Section 3(b), will promptly notify the Underwriters, and confirm the notice in writing, (i) when any post-effective amendment to the Registration Statement shall become effective, or any supplement to the Prospectus or any amended Prospectus shall have been filed, (ii) of the receipt of any comments from the Commission, (iii) of any request by the Commission for any amendment to the Registration Statement or any amendment or supplement to the Prospectus or any document incorporated by reference therein or for additional information, (iv) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or of any order preventing or suspending the use of any preliminary prospectus, or of the suspension of the qualification of the Securities for offering or sale in any jurisdiction, or of the initiation or threatening of any proceedings for any of such purposes or of any examination pursuant to Section 8(e) of the 1933 Act concerning the Registration Statement and (v) if the Company becomes the subject of a proceeding under Section 8A of the 1933 Act in connection with the offering of the Securities. The Company will effect the filings required under Rule 424(b), in the manner and within the time period required by Rule 424(b) (without reliance on Rule 424(b)(8)), and will take such steps as it deems necessary to ascertain promptly whether the form of prospectus transmitted for filing under Rule 424(b) was received for filing by the Commission and, in the event that it was not, it will

promptly file such prospectus. The Company will make every reasonable effort to prevent the issuance of any stop order and, if any stop order is issued, to obtain the lifting thereof at the earliest possible moment.

(b) Filing of Amendments and 1934 Act Documents. The Company will give the Underwriters notice of its intention to file or prepare any amendment to the Registration Statement or any amendment, supplement or revision to either the prospectus included in the Registration Statement at the time it became effective or to the Prospectus or any documents, if any, incorporated, or deemed to be incorporated, by reference therein, and will furnish the Underwriters with copies of any such documents a reasonable amount of time prior to such proposed filing or use, as the case may be, and will not file or use any such document to which the Underwriters or counsel for the Underwriters shall reasonably object. The Company will give the Underwriters notice of its intention to make any such filing from the Time of Sale to the Closing Date and will furnish the Underwriters with copies of any such documents at least 24 hours prior to such proposed filing, as the case may be, and will not file or use any such document to which the Underwriters or counsel for the Underwriters shall reasonably object unless the Company's legal counsel has advised the Company that filing such documents is required pursuant to the 1934 Act or 1934 Act Regulations.

The Prospectus and any amendments or supplements thereto furnished to the Underwriters will be identical to the electronically transmitted copies thereof filed with the Commission via EDGAR, except to the extent permitted by Regulation S-T.

(e) Continued Compliance with Securities Laws. The Company will comply with the 1933 Act and the 1933 Act Regulations so as to permit the completion of the distribution of the Securities as contemplated in this Agreement and in the Prospectus. If at any time when a prospectus is required by the 1933 Act to be delivered in connection with sales of the Securities, any event shall occur or condition shall exist as a result of which it is necessary, in the opinion of counsel for the Underwriters or for the Company, to amend the Registration Statement or amend or supplement the Prospectus in order that the Prospectus will not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein not misleading in the light of the circumstances existing at the time it is delivered to a purchaser, or if it shall be necessary, in the opinion of such counsel, at any such time to amend the Registration Statement or amend or supplement the Prospectus in order to comply with the requirements of the 1933 Act or the 1933 Act Regulations, the Company will promptly prepare and file with the Commission, subject to Section 3(b), such amendment or supplement as may be necessary to correct such statement or omission or to make the Registration Statement or the Prospectus comply with such requirements, and the Company will furnish to the Underwriters such number of copies of such amendment or supplement as the Underwriters may reasonably request. If at any time following issuance of an Issuer Free Writing Prospectus there occurred or occurs an event or development as a result of which such Issuer

Free Writing Prospectus conflicted or would conflict with the information contained in the Registration Statement relating to the Securities or included or would include an untrue statement of a material fact or omitted or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances, prevailing at that subsequent time, not misleading, the Company will promptly notify the Underwriters and will promptly amend or supplement, at its own expense, such Issuer Free Writing Prospectus to eliminate or correct such conflict, untrue statement or omission.

(f) Blue Sky Qualifications. The Company will use its best efforts, in cooperation with the Underwriters, to qualify the Securities for offering and sale under the applicable securities laws of such states and other jurisdictions (domestic or foreign) as the Underwriters may reasonably designate; provided, however, that the Company shall not be obligated to file any general consent to service of process or to qualify as a foreign corporation or as a dealer in securities in any jurisdiction in which it is not so qualified or to subject itself to taxation in respect of doing business in any jurisdiction in which it is not otherwise so subject.

(g) Rule 158. The Company will timely file such reports pursuant to the 1934 Act as are necessary in order to make generally available to its securityholders as soon as practicable an earnings statement for the purposes of, and to provide to the Underwriters the benefits contemplated by, the last paragraph of Section 11(a) of the 1933 Act.

(h) Use of Proceeds. The Company will use the net proceeds received by it from the sale of the Securities in the manner specified in the Prospectus under “Use of Proceeds.”

(i) Company Lock-Up. For a period commencing on the date hereof and ending on the 60th day after the date of this Agreement (the “Lock-Up Period”), the Company will not, directly or indirectly, (i) offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, lend or otherwise dispose of, directly or indirectly (or enter into any transaction or device that is designed to, or could be expected to, result in the disposition by any person at any time in the future of) any shares of Common Stock or any securities convertible into or exercisable or exchangeable for or repayable with Common Stock, (ii) enter into any swap or other agreement that transfers to another, in whole or in part, any of the economic consequences of ownership of such shares of Common Stock, whether any such transaction described in clause (i) or (ii) above is to be settled by delivery of Common Stock or other securities, in cash or otherwise, (iii) file or cause to be filed a registration statement with the Commission, including any amendments, with respect to the registration of any shares of Common Stock or securities convertible, exercisable or exchangeable into Common Stock or any other securities of the Company (other than a registration statement on Form S-8 with respect to the Company’s equity incentive plans described in the Registration Statement, the Time of Sale Information and the Prospectus), or (iv) publicly disclose the intention to do any of the foregoing, in each case without the prior written consent of the Representative. The foregoing sentence shall not apply to (A) the Securities to be sold hereunder, (B) any shares of Common Stock issued by the Company upon the exercise of an option or warrant or the conversion of a security outstanding on the date hereof and referred to in the Registration Statement, the Time of Sale Information and the Prospectus, (C) any shares of Common Stock or other equity-based awards issued or to be issued or options to purchase Common Stock granted or to be granted pursuant to employee benefit plans or equity incentive plans of the Company referred to in the Registration Statement, the Time of Sale Information and the Prospectus and (D) any shares of Common Stock or other equity-based awards issued or to be issued pursuant to any non-employee director stock plan, equity incentive plan or dividend reinvestment plan referred to in the Registration Statement, the Time of Sale Information and the Prospectus.

(j) Lock-Up Agreements. The Company will cause each person set forth on Schedule C hereto to furnish to the Representative, on or prior to the date of this Agreement, a letter or letters, substantially in

the form of Exhibit A hereto (the “Lock-Up Agreements”). The Representative, in its sole discretion, may release the Common Stock and other securities subject to the Lock-Up Agreements in whole or in part at any time with or without notice.

(k) Transfer Agent. The Company will enter stop transfer instructions with the transfer agent and registrar of the Common Stock against the transfer of shares of Common Stock and securities convertible into or exercisable or exchangeable for shares of Common Stock that are subject to the agreements described in Section 3(j) hereof except in compliance with the restrictions set forth in such agreements.

(l) Reporting Requirements. The Company, during the period when the Prospectus is required to be delivered under the 1933 Act, will file all documents required to be filed with the Commission pursuant to the 1934 Act within the time periods required by the 1934 Act and the 1934 Act Regulations.

(m) Price Manipulation. The Company will not, directly or indirectly, (i) take any action designed to cause or result in, or that constitutes or might reasonably be expected to constitute, the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Securities or (ii) sell, bid for, or purchase the Securities to be issued and sold pursuant to this Agreement, or pay anyone any compensation for soliciting purchases of the Securities to be issued and sold pursuant to this Agreement other than the Underwriters.

(n) Compliance with Laws. The Company and each of its subsidiaries shall maintain, or cause to be maintained, all material environmental permits, licenses and other authorizations required by federal, state and local law in order to conduct their businesses as described in the Prospectus, and the Company and each of its subsidiaries shall conduct their businesses, or cause their businesses to be conducted, in substantial compliance with such permits, licenses and authorizations and with applicable Environmental Laws, except where the failure to maintain or be in compliance with such permits, licenses and authorizations could not reasonably be expected to have a Material Adverse Effect.

(o) Written Communication. The Company has not distributed and will not distribute, directly or indirectly (other than through the Underwriters), any “written communication” (as defined in Rule 405) or other offering materials in connection with the offering or sale of the Securities, other than the Time of Sale Information and the Prospectus.

(p) Qualification and Taxation as a REIT. The Company will use its best efforts to continue to qualify for taxation as a REIT under the Code for its taxable year ending December 31, 2022, and thereafter, and will not take any action to revoke or otherwise terminate the Company’s REIT election, unless the Company’s board of directors determines in good faith that it is no longer in the best interests of the Company and its stockholders to be so qualified.

4. Payment of Expenses.

(a) Expenses. The Company will pay or cause to be paid all expenses incident to the performance of their obligations under this Agreement, including (i) the preparation, printing and filing of the Registration Statement (including financial statements and exhibits) as originally filed and of each amendment thereto, (ii) the preparation, printing and delivery to the Underwriters of this Agreement and such other documents as may be reasonably required in connection with the offering, purchase, sale, issuance or delivery of the Securities, (iii) the preparation, issuance and delivery of the Securities to the Underwriters, including any stock or other transfer taxes and any stamp or other duties payable upon the sale, issuance or delivery of the Securities to the Underwriters, (iv) the fees and disbursements of the Company’s counsel, accountants and other advisors, (v) the qualification of the Securities under securities

laws in accordance with the provisions of Section 3(f) hereof, including filing fees and the reasonable fees and disbursements of counsel for the Underwriters in connection therewith and in connection with the preparation of the blue sky survey, if any, and any supplement thereto up to an aggregate amount not to exceed \$10,000, (vi) the printing and delivery to the Underwriters of copies of each preliminary prospectus, and of the Prospectus and any amendments or supplements thereto and any costs associated with electronic delivery of any of the foregoing by the Underwriters to investors, (vii) the fees and expenses of any transfer agent or registrar for the Securities, (viii) the costs and expenses of the Company relating to investor presentations on any "road show" (if any) undertaken in connection with the marketing of the Securities, including without limitation, expenses associated with the production of road show slides and graphics, fees and expenses of any consultants engaged in connection with the road show presentations, travel and lodging expenses of the officers of the Company, and 50% of the cost of aircraft and other transportation chartered in connection with the road show; provided, however, that (A) the Underwriters shall pay their direct costs and expenses associated with the road show and (B) the Underwriters shall pay 50% of the costs of chartered aircraft and other transportation chartered in connection with the road show, and (ix) the filing fees incident to, and the reasonable fees and disbursements of counsel to the Underwriters in connection with, the review by FINRA of the terms of the sale of the Securities up to an aggregate amount not to exceed \$1,000 and (x) the fees and expenses incurred in connection with the listing of the Securities on the NYSE.

(b) Termination of Agreement. If this Agreement is terminated by the Underwriters in accordance with the provisions of Sections 9(a)(i), 9(a)(iii) or 11 hereof, the Company shall reimburse the Underwriters for all of their out-of-pocket expenses, including the reasonable fees and disbursements of counsel for the Underwriters.

5. Conditions of Underwriter's Obligations.

The obligations of the Underwriters hereunder are subject to the accuracy of the representations and warranties of the Company contained in Section 1 hereof or in certificates of any officer of the Company delivered pursuant to the provisions hereof, to the performance by the Company of its covenants and other obligations hereunder, and to the following further conditions:

(a) Effectiveness of Registration Statement. The Registration Statement has become effective and at the Closing Date and the Additional Closing Date, as the case may be, no stop order suspending the effectiveness of the Registration Statement shall have been issued under the 1933 Act or proceedings therefor initiated or threatened by the Commission, and any request on the part of the Commission for additional information shall have been complied with to the reasonable satisfaction of counsel to the Underwriters. A prospectus containing the Rule 430B Information in the form provided to the Underwriters immediately prior to the Closing Date shall be filed with the Commission in the manner and within the time frame required by Rule 424(b) without reliance on Rule 424(b)(8) or a post-effective amendment providing such information shall have been filed and declared effective in accordance with the requirements of Rule 430B. No amendment or supplement to the Registration Statement or Prospectus shall have been filed to which the Underwriters shall have reasonably objected.

(b) Opinion of Counsel for Company. At the Closing Date and the Additional Closing Date, as the case may be, the Underwriters shall have received the favorable opinion, and in the case of Section 5(b)(i) below, negative assurance letter, dated as of Closing Date or the Additional Closing Date, as the case may be, from each of:

(i) Vinson & Elkins L.L.P., counsel for the Company, in substantially the form set forth in Exhibit B-1 hereto;

(ii) Vinson & Elkins L.L.P., counsel for the Company, as to tax matters, in substantially the form set forth in Exhibit B-2 hereto; and

(iii) Venable LLP, Maryland counsel for the Company, in substantially the form set forth in Exhibit B-3 hereto.

(c) Opinion of Counsel for Underwriters. At the Closing Date and the Additional Closing Date, as the case may be, the Underwriters shall have received the favorable opinion, dated as of Closing Date or the Additional Closing Date, as the case may be, of Hunton Andrews Kurth LLP, counsel for the Underwriters, in form and substance satisfactory to the Underwriters. In giving such opinion such counsel may rely, as to all matters governed by the laws of jurisdictions other than the law of the State of New York and the federal law of the United States and the General Corporation Law of the State of Delaware, upon the opinions of counsel satisfactory to the Underwriters. Such counsel may also state that, insofar as such opinion involves factual matters, they have relied, to the extent they deem proper, upon certificates of officers of the Company and certificates of public officials.

(d) Officers' Certificate. At the Closing Date and the Additional Closing Date, as the case may be, the Underwriters shall have received a certificate of the President and Chief Executive Officer of the Company and the Senior Vice President, Chief Financial Officer and Treasurer of the Company, dated as of Closing Date or the Additional Closing Date, as the case may be, to the effect that the signers of such certificates have carefully examined the Prospectus and Time of Sale Information and (i) there has been no (A) Material Adverse Effect, (B) transaction that is material to the Company and all of its subsidiaries considered as one enterprise, (C) any obligation, direct or contingent, that is material to the Company and all of its subsidiaries considered as one enterprise, incurred by the Company or a subsidiary of the Company, (D) any change in the capitalization of the Company or any subsidiary of the Company that is material to the Company and all of its subsidiaries considered as one enterprise, or (E) any dividend or distribution of any kind declared, paid or made on the capital stock of the Company or the capital stock, limited liability company membership interests or partnership interest of any subsidiary of the Company, except in case of each of clauses (A) through (E) above, as set forth in or contemplated in the Prospectus (exclusive of any supplement thereto), (ii) the representations and warranties in Section 1(a) hereof are true and correct with the same force and effect as though expressly made at and as of the Closing Date or the Additional Closing Date, as the case may be, (iii) the Company has complied with all agreements and satisfied all conditions on its part to be performed or satisfied at or prior to the Closing Date or the Additional Closing Date, as the case may be, and (iv) no stop order suspending the effectiveness of the Registration Statement has been issued and no proceedings for that purpose have been instituted or are pending or, to their knowledge, contemplated by the Commission.

(e) Accountant's Comfort Letter. At the time of execution of this Agreement, the Underwriters shall have received from Grant Thornton LLP a letter, in form and substance satisfactory to the Representative, addressed to the Underwriters and dated the date hereof (i) confirming that they are independent public accountants within the meaning of the 1933 Act and are in compliance with the applicable requirements relating to the qualification of accountants under Rule 2-01 of Regulation S-X of the Commission, and (ii) stating, as of the date hereof (or, with respect to matters involving changes or developments since the respective dates as of which specified financial information is given in the most recent preliminary prospectus, as of a date not more than three days prior to the date hereof), the conclusions and findings of such firm with respect to the financial information and other matters ordinarily covered by accountants' "comfort letters" to underwriters with respect to the financial statements and other financial information included in the Registration Statement, the Time of Sale Information and the Prospectus or any amendment or supplement thereto.

(f) Bring-down Comfort Letter. At the Closing Date and the Additional Closing Date, as the case may be, the Underwriters shall have received from Grant Thornton LLP a letter, dated as of Closing Date or the Additional Closing Date, as the case may be, to the effect that it reaffirms the statements made in the letter furnished pursuant to subsection (e) of this Section. The affirmation of statements made in such letter shall be as of a date not more than two (2) Business Days prior to the Closing Date or the Additional Closing Date, as the case may be.

(g) No Material Adverse Effects. At the Closing Date and the Additional Closing Date, as the case may be, there shall not have been, since the date hereof or since the respective dates as of which information is given in the Prospectus or the Time of Sale Information, any Material Adverse Effect.

(h) NYSE. The Securities shall have been approved for listing on the NYSE, subject to official notice of issuance.

(i) FINRA. FINRA shall not have raised any objection with respect to the fairness and reasonableness of the underwriting terms and arrangements.

(j) Lock-up Agreements. At or prior to the Closing Date, the Representative shall have received the Lock-Up Agreements from each of the individuals set forth on Schedule C hereto.

(k) Additional Documents. At the Closing Date and the Additional Closing Date, as the case may be, counsel for the Underwriters shall have been furnished with such documents and opinions as they may reasonably require for the purpose of enabling them to pass upon the issuance and sale of the Securities as herein contemplated, or in order to evidence the accuracy of any of the representations or warranties, or the fulfillment of any of the conditions, herein contained; and all proceedings taken by the Company in connection with the issuance and sale of the Securities as herein contemplated shall be reasonably satisfactory in form and substance to the Underwriters and counsel for the Underwriters.

6. Indemnification.

(a) Indemnification of Underwriters. The Company agrees to indemnify and hold harmless the Underwriters, their selling agents and each person, if any, who controls the Underwriters within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act as follows:

(i) against any and all losses, claims, damages, liabilities and expenses, including reasonable costs of investigation and attorney's fees and expenses (collectively "Damages") (A) arising out of or based upon (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement (or any amendment thereto), including the Rule 430B Information or the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, or (B) arising out of any untrue statement or alleged untrue statement of a material fact included in any preliminary prospectus, any Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto), or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(ii) against any Damages, to the extent of the aggregate amount paid in settlement of any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission; provided that (subject to Section 6(d) below) any such settlement is effected with the written consent of the Company;

(iii) against any and all expense whatsoever, as incurred (including the fees and disbursements of counsel chosen by the Underwriter), reasonably incurred in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission, to the extent that any such expense is not paid under (i) or (ii) above;

provided, however, that this indemnity agreement shall not apply to any Damages to the extent arising out of any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with written information furnished to the Company by the Underwriters expressly for use in the Registration Statement (or any amendment thereto), including the Rule 430B Information, or any preliminary prospectus, any Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto).

(b) Indemnification of Company and its Directors and Officers. Each Underwriter, severally and not jointly, agrees to indemnify and hold harmless the Company, its directors and its officers who sign the Registration Statement, and any person who controls the Company within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act, to the same extent as the foregoing indemnity from the Company to the Underwriters, but only with respect to untrue statements or omissions, or alleged untrue statements or omissions, made in the Registration Statement (or any amendment thereto), including the Rule 430B Information or any preliminary prospectus, any Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto) in reliance upon and in conformity with written information furnished to the Company by the Underwriters expressly for use therein as such appears in the Prospectus in (i) the last paragraph on the cover page related to the delivery of the Securities; (ii) the list of Underwriters under the heading “Underwriting” and their respective participation in the sale of the Securities; (iii) the fifth paragraph of text under the heading “Underwriting” related to the public offering price and concessions; and (iv) the fifteenth, sixteenth, seventeenth, eighteenth and nineteenth paragraphs of text under the heading “Underwriting” related to stabilization and syndicate covering transactions.

(c) Actions against Parties; Notification. Each indemnified party shall give notice as promptly as reasonably practicable to each indemnifying party of any action commenced against it in respect of which indemnity may be sought hereunder, but failure to so notify an indemnifying party shall not relieve such indemnifying party from any liability hereunder to the extent it is not materially prejudiced as a result thereof and in any event shall not relieve it from any liability which it may have otherwise than on account of this indemnity agreement. In the case of parties indemnified pursuant to Section 6(a) above, counsel to the indemnified parties shall be selected by the Underwriters and, in the case of parties indemnified pursuant to Section 6(b) above, counsel to the indemnified parties shall be selected by the Company. An indemnifying party may participate at its own expense in the defense of any such action; provided, however, that counsel to the indemnifying party shall not (except with the consent of the indemnified party) also be counsel to the indemnified party; provided, further, that if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that a conflict may arise between the positions of the indemnifying party and the indemnified party in conducting the defense of any such action or that there may be legal defenses available to it and/or other indemnified parties that are different from or additional to those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assume such legal defenses and to otherwise participate in the defense of such action on behalf of such indemnified party or parties. Upon receipt of notice from the indemnifying party to such indemnified party of such indemnifying party’s election so to assume the defense of such action and approval by the indemnified party of counsel, the indemnifying party will not be liable to such indemnified party under this Section 6 for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof unless (i) the indemnified party shall have employed separate counsel in accordance with the second proviso to the

preceding sentence (it being understood, however, that the indemnifying party shall not be liable for the expenses of more than one separate counsel (other than local counsel), reasonably approved by the indemnifying party (or by the Underwriters in the case of Section 6(b)), representing the indemnified parties who are parties to such action) or (ii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of commencement of the action, in each of which cases the fees and expenses of counsel shall be at the expense of the indemnifying party. No indemnifying party shall, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment in any proceeding or threatened claim, action, suit or proceeding in respect of which indemnification may be sought under this Section 6 hereof (whether or not the indemnified parties are actual or potential parties thereto), unless such settlement, compromise or consent (A) includes an unconditional release of each indemnified party from all liability arising out of or based upon such proceeding or threatened claim, action, suit or proceeding, (B) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any indemnified party and (C) the indemnifying party confirms in writing its indemnification obligations hereunder with respect to such settlement, compromise or consent to the entry of judgement.

(d) Settlement without Consent if Failure to Reimburse. If at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel, such indemnifying party agrees that it shall be liable for any settlement of the nature contemplated by Section 6(a)(ii) effected without its written consent if (i) such settlement is entered into more than 45 days after receipt by such indemnifying party of the aforesaid request, (ii) such indemnifying party shall have received notice of the terms of such settlement at least 30 days prior to such settlement being entered into and (iii) such indemnifying party shall not have reimbursed such indemnified party in accordance with such request prior to the date of such settlement.

7. Contribution.

If the indemnification provided for in Section 6 hereof is unavailable or insufficient for any reason whatsoever to an indemnified party in respect of any Damages referred to therein, then an indemnifying party, in lieu of indemnifying such indemnified party, shall contribute to the amount paid or payable by such indemnified party as a result of such Damages, (i) in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and the Underwriters, on the other hand, from the offering of the Securities pursuant to this Agreement or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company, on the one hand, and of the Underwriters, on the other hand, in connection with the statements or omissions that resulted in such Damages, as well as any other relevant equitable considerations.

The relative benefits received by the Company, on the one hand, and the Underwriters, on the other hand, in connection with the offering of the Securities pursuant to this Agreement shall be deemed to be in the same respective proportions as the total net proceeds from the offering of the Securities pursuant to this Agreement (before deducting expenses) received by the Company, on the one hand, and the total underwriting discounts and commissions received by the Underwriters, in each case as set forth on the cover of the Prospectus, bear to the aggregate public offering price of the Securities as set forth on the cover of the Prospectus.

The relative fault of the Company, on the one hand, and the Underwriters, on the other hand, shall be determined by reference to, among other things, (i) whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company, on the one hand, or by the Underwriters, on the other hand; (ii) the intent of the parties and

their relative knowledge; (iii) access to information; and (iv) the opportunity to correct or prevent such statement or omission.

The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 7 were determined by a pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation that does not take into account the equitable considerations referred to above in this Section 7. The amount paid or payable by an indemnified party as a result of the Damages referred to above in this Section 7 shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim.

Notwithstanding the provisions of this Section 7, the Underwriters shall not be required to contribute any amount in excess of the amount by which the total price at which the Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which the Underwriters have otherwise been required to pay by reason of any such untrue or alleged untrue statement or omission or alleged omission.

No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

8. Representations, Warranties and Agreements to Survive.

All representations, warranties and agreements contained in this Agreement or in certificates of officers of the Company submitted pursuant hereto, shall remain operative and in full force and effect regardless of (a) any investigation made by or on behalf of the Underwriters or their affiliates or selling agents, any person controlling the Underwriters, its officers or directors or any person controlling the Company and (b) delivery of and payment for the Securities.

9. Termination of Agreement.

(a) Termination; General. The Underwriters may terminate this Agreement, by notice to the Company, at any time at or prior to the Closing Date or the Additional Closing Date (if different from the Closing Date and then only as to the Additional Shares) (i) if there has been, since the time of execution of this Agreement or since the respective dates as of which information is given in the Registration Statement, the Time of Sale Information or the Prospectus, any material adverse change in the condition, financial or otherwise, or in the earnings, business affairs or business prospects of the Company and all of its subsidiaries considered as one enterprise, whether or not arising in the ordinary course of business, or (ii) if there has occurred any material adverse change in the financial markets in the United States or the international financial markets, any outbreak of hostilities or escalation thereof or other calamity or crisis or any change or development involving a prospective change in national or international political, financial or economic conditions, in each case the effect of which is such as to make it, in the judgment of the Underwriters, impracticable or inadvisable to proceed with the completion of the offering or to enforce contracts for the sale of the Securities, or (iii) if trading in any securities of the Company has been suspended or materially limited by the Commission or the NYSE, or (iv) if trading generally on the NYSE has been suspended or materially limited, or minimum or maximum prices for trading have been fixed, or maximum ranges for prices have been required, by any of said exchanges or by order of the Commission, FINRA or any other governmental authority, or (v) a material disruption has occurred in commercial banking or securities settlement or clearance services in the United States, or (vi) if a banking moratorium has been declared by either Federal or New York authorities.

(b) Liabilities. If this Agreement is terminated pursuant to this Section, such termination shall be without liability of any party to any other party except as provided in Section 4 hereof, and provided further that Sections 1, 6, 7 and 8 shall survive such termination and remain in full force and effect.

(c) Notice of Termination. If the Underwriters elect to terminate this Agreement as provided in this Section 9, the Company shall be notified promptly by electronic communication to the Company's Chief Executive Officer or by facsimile.

10. Substitution of Underwriters.

If any Underwriter defaults in its obligation to purchase the number of Firm Shares which it has agreed to purchase under this Agreement, the non-defaulting Underwriters shall be obligated to purchase (in the respective proportions which the number of Firm Shares set forth opposite the name of each non-defaulting Underwriter in Schedule A hereto bears to the total number of Firm Shares set forth opposite the names of all the non-defaulting Underwriters in Schedule A hereto) the Firm Shares which the defaulting Underwriter agreed but failed to purchase (the "Default Securities"); except that the non-defaulting Underwriters shall not be obligated to purchase any of the Firm Shares if the total number of Firm Shares which the defaulting Underwriter or Underwriters agreed but failed to purchase exceeds 10% of the total number of Firm Shares, and any non-defaulting Underwriter shall not be obligated to purchase more than 110% of the number of Firm Shares set forth opposite its name in Schedule A attached hereto purchasable by it pursuant to the terms of Section 2 hereof. If the foregoing maximums are exceeded, the non-defaulting Underwriters, and any other underwriters satisfactory to the Underwriters who so agree, shall have the right, but shall not be obligated, to purchase (in such proportions as may be agreed upon among them) all the Default Securities on the terms contained herein. If the non-defaulting Underwriters or the other underwriters satisfactory to the Underwriters do not elect to purchase the Default Securities, this Agreement shall terminate without liability on the part of any non-defaulting Underwriter or the Company except for the payment of expenses to be borne by the Company and the Underwriters as provided in Section 4 hereof and the indemnity and contribution agreements of the Company and the Underwriters contained in Section 6 and Section 7 hereof. Nothing contained herein shall relieve a defaulting Underwriter of any liability it may have for damages caused by its default. If the other underwriters satisfactory to the Underwriters are obligated or agree to purchase the Firm Shares of a defaulting Underwriter, either the Underwriters or the Company may postpone the Closing Date for up to five full SEC Business Days in order to effect any changes that may be necessary in the Registration Statement, the Time of Sale Information or the Prospectus or in any other document or agreement, and to file promptly any amendments or any supplements to the Registration Statement or the Time of Sale Information or the Prospectus which in the Underwriters' opinion may thereby be made necessary. The term "Underwriter" as used in this Agreement shall include any party substituted under this Section 10 with like effect as if it had originally been a party to this Agreement with respect to the Firm Shares.

11. Default by the Company.

If the Company shall fail at the Closing Date or the Additional Closing Date, as the case may be, to sell the number of Securities that it is obligated to sell hereunder, then this Agreement shall terminate without any liability on the part of any nondefaulting party; provided, however, that the provisions of Sections 1, 4, 6, 7 and 8 shall remain in full force and effect. No action taken pursuant to this Section shall relieve the Company from liability, if any, in respect of such default.

12. Tax Disclosure.

Notwithstanding any other provision of this Agreement, immediately upon commencement of discussions with respect to the transactions contemplated hereby, the Company (and each employee,

representative or other agent of the Company) may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure of the transactions contemplated by this Agreement and all materials of any kind (including opinions or other tax analyses) that are provided to the Company relating to such tax treatment and tax structure. For purposes of the foregoing, the term “tax treatment” is the purported or claimed federal income tax treatment of the transactions contemplated hereby, and the term “tax structure” includes any fact that may be relevant to understanding the purported or claimed federal income tax treatment of the transactions contemplated hereby.

13. Notices.

All notices and other communications hereunder shall be in writing and shall be deemed to have been duly given if mailed or transmitted by any standard form of telecommunication. As Representative of the Several Underwriters

Re: CTO Realty Growth, Inc.(the “Company”) - Restriction on Stock Sales

Dear Sirs:

This letter is delivered to you pursuant to the Underwriting Agreement (the “**Underwriting Agreement**”) to be entered into by the Company, as issuer, and Wells Fargo Securities, LLC as the representative (the “**Representative**”) of certain underwriters (the “**Underwriters**”) to be named therein. Upon the terms and subject to the conditions of the Underwriting Agreement, the Underwriters intend to effect a public offering (the “**Offering**”) of the Company’s common stock, par value \$0.01 per share (the “**Shares**”).

The undersigned recognizes that it is in the best financial interests of the undersigned, as an officer or director, or an owner of stock, options, warrants or other securities of the Company (the “**Company Securities**”), that the Company complete the proposed Offering.

The undersigned further recognizes that the Company Securities held by the undersigned are, or may be, subject to certain restrictions on transferability, including those imposed by United States federal securities laws. Notwithstanding these restrictions, the undersigned has agreed to enter into this letter agreement to further assure the Underwriters that the Company Securities of the undersigned, now held or hereafter acquired, will not enter the public market at a time that might impair the underwriting effort.

Therefore, as an inducement to the Underwriters to execute the Underwriting Agreement, the undersigned hereby acknowledges and agrees that the undersigned will not, directly or indirectly, (i) offer, pledge, sell, contract to sell, contract to purchase, grant any option, right or warrant to purchase, lend or otherwise dispose of (or enter into any transaction or device that is designed to, or could be expected to, result in the disposition by any person at any time in the future of) any Company Securities (collectively, a “**Disposition**”), or any securities convertible into or exercisable or exchangeable for, or any rights to purchase or otherwise acquire, any Company Securities held by the undersigned or acquired by the undersigned after the date hereof, or that may be deemed to be beneficially owned by the undersigned (collectively, the “**Lock-Up Securities**”), pursuant to the Rules and Regulations promulgated under the Securities Act of 1933, as amended (the “**Act**”), and the Securities Exchange Act of 1934, as amended (the

Exhibit A

“**Exchange Act**”), for a period of 60 days after the date of the Underwriting Agreement (the “**Lock-Up Period**”), without the prior written consent of the Representative, (ii) enter into any swap or other agreement that transfers to another, in whole or in part, any of the economic consequences of ownership of such Lock-Up Securities, whether any such transaction described in clause (i) or (ii) above is to be settled by delivery of the Lock-Up Securities or other Company Securities, in cash or otherwise, or (iii) exercise or seek to exercise or effectuate in any manner any rights of any nature that the undersigned has or may have hereafter to require the Company to register under the Act the undersigned’s sale, transfer or other disposition of any of the Lock-Up Securities or other securities of the Company held by the undersigned, or to otherwise participate as a selling securityholder in any manner in any registration effected by the Company under the Act during the Lock-Up Period. The foregoing restrictions are expressly agreed to preclude the undersigned from engaging in any hedging, collar (whether or not for any consideration) or other transaction that is designed to or reasonably expected to lead or result in a Disposition of Lock-Up Securities during the Lock-Up Period, even if such Lock-Up Securities would be disposed of by someone other than such holder. Such prohibited hedging or other transactions would include any short sale or any purchase, sale or grant of any right (including any put or call option or reversal or cancellation thereof) with respect to any Lock-Up Securities or with respect to any security (other than a broad-based market basket or index) that includes, relates to or derives any significant part of its value from Lock-Up Securities.

Notwithstanding the agreement not to make any Disposition during the Lock-Up Period, the Representative has agreed that the undersigned may transfer the undersigned’s Lock-Up Securities (i) as a bona fide gift or gifts; (ii) to any trust for the direct or indirect benefit of the undersigned or the immediate family of the undersigned or if the undersigned is a trust, to any trust beneficiary (including such trust beneficiary’s estate) of the undersigned; (iii) by will or intestate succession upon the death of the undersigned; (iv) as a distribution to members, limited partners or stockholders of the undersigned; (v) to the undersigned’s affiliates; or (vi) with the prior written consent of the Representative on behalf of the Underwriters; provided, however, that in the case of any transfer pursuant to (i), (ii), (iii), (iv) or (v) above, it shall be a condition to the transfer that the donee, trustee, heir, or other transferee, as the case may be, agree to be bound in writing by the restrictions set forth herein; provided, further, that any transfer pursuant to (i), (ii), (iii), (iv) or (v) above shall not involve a disposition for value; provided, further, that no filing by the undersigned or any other party (including any donor, donee, transferor or transferee) under the Exchange Act or other public announcement reporting a reduction in beneficial ownership of shares of the Company’s common stock, par value \$0.01 per share, held by the undersigned shall be required or shall be made voluntarily in connection with such transfer. For purposes of this letter, “immediate family” shall mean any relationship by blood, marriage or adoption, not more remote than first cousin.

It is understood that, if the Underwriting Agreement (other than the provisions thereof that survive termination) shall terminate or be terminated prior to payment for and delivery of the Shares, the Representative will release the undersigned from the obligations under this letter agreement.

Exhibit A

In furtherance of the foregoing, the Company and its transfer agent and registrar are hereby authorized to decline to make any transfer of Lock-Up Securities if such transfer would constitute a violation or breach of this letter. This letter shall be binding on the undersigned and the respective successors, heirs, personal representatives and assigns of the undersigned. Capitalized terms used but not defined herein have the respective meanings assigned to such terms in the Underwriting Agreement.

Re: Registration Statement on Form S-3
Commission File No. 333-267819

Ladies and Gentlemen:

We have served as Maryland counsel to CTO Realty Growth, Inc., a Maryland corporation (the “Company”), in connection with certain matters of Maryland law arising out of the registration of the offering and sale by the Company of up to 3,450,000 shares (the “Shares”) of the Company’s common stock, \$0.01 par value per share (the “Common Stock”), including up to 450,000 Shares issuable upon the exercise of an option granted to the underwriters in the offering. The offering and sale of the Shares are covered by the above-referenced Registration Statement, and all amendments thereto (the “Registration Statement”), filed by the Company with the United States Securities and Exchange Commission (the “Commission”) under the Securities Act of 1933, as amended (the “Securities Act”).

In connection with our representation of the Company, and as a basis for the opinion hereinafter set forth, we have examined originals, or copies certified or otherwise identified to our satisfaction, of the following documents (hereinafter collectively referred to as the “Documents”):

1. The Registration Statement, in the form filed with the Commission under the Securities Act;
 2. The Company’s Prospectus, dated October 26, 2022, that forms part of the Registration Statement, as supplemented by the Company’s Prospectus Supplement, dated November 30, 2022, in the form filed with the Commission pursuant to Rule 424(b) under the Securities Act;
 3. The charter of the Company (the “Charter”), certified by the State Department of Assessments and Taxation of Maryland (the “SDAT”);
 4. The Second Amended and Restated Bylaws of the Company, certified as of the date hereof by an officer of the Company;
-

5. Resolutions adopted by the Board of Directors of the Company, and a duly authorized committee thereof, relating to, among other matters, the registration, sale and issuance of the Shares (the "Resolutions"), certified as of the date hereof by an officer of the Company;
6. A certificate of the SDAT as to the good standing of the Company, dated as of a recent date;
7. A certificate executed by an officer of the Company, dated as of the date hereof; and
8. Such other documents and matters as we have deemed necessary or appropriate to express the opinion set forth below, subject to the assumptions, limitations and qualifications stated herein.

In expressing the opinion set forth below, we have assumed the following:

1. Each individual executing any of the Documents, whether on behalf of such individual or another person, is legally competent to do so.
2. Each individual executing any of the Documents on behalf of a party (other than the Company) is duly authorized to do so.
3. Each of the parties (other than the Company) executing any of the Documents has duly and validly executed and delivered each of the Documents to which such party is a signatory, and such party's obligations set forth therein are legal, valid and binding and are enforceable in accordance with all stated terms.
4. All Documents submitted to us as originals are authentic. The form and content of all Documents submitted to us as unexecuted drafts do not differ in any respect relevant to this opinion from the form and content of such Documents as executed and delivered. All Documents submitted to us as certified or photostatic copies conform to the original documents. All signatures on all Documents are genuine. 5. The Shares will not be issued or transferred in violation of the restrictions or limitations contained in Article VII of the Charter.

Based upon the foregoing, and subject to the assumptions, limitations and qualifications stated herein, it is our opinion that:

1. The Company is a corporation duly incorporated and validly existing under and by virtue of the laws of the State of Maryland and is in good standing with the SDAT.

2. The issuance of the Shares has been duly authorized and, upon payment and delivery in accordance with the Registration Statement and the Resolutions, the Shares will be validly issued, fully paid and nonassessable.

The foregoing opinion is limited to the laws of the State of Maryland and we do not express any opinion herein concerning federal law or the laws of any other jurisdiction. We express no opinion as to compliance with any federal or state securities laws, including the securities laws of the State of Maryland, federal or state laws regarding fraudulent transfers or the laws, codes or regulations of any municipality or other local jurisdiction. To the extent that any matter as to which our opinion is expressed herein would be governed by the laws of any jurisdiction other than the State of Maryland, we do not express any opinion on such matter. The opinion expressed herein is limited to the matters specifically set forth herein and no other opinion shall be inferred beyond the matters expressly stated. We assume no obligation to supplement this opinion if any applicable law changes after the date hereof or if we become aware of any fact that might change the opinion expressed herein after the date hereof.

This opinion is being furnished to you for submission to the Commission as an exhibit to the Company's Current Report on Form 8-K relating to the sale of the Shares (the "Current Report"). We hereby consent to the filing of this opinion as an exhibit to the Current Report and to the use of the name of our firm therein.
